Lecture December 22

The second number of the Entertainment Course, given this year under the auspices of the Woman's Club, will take place at the town hall Wednesday evening, Dec. 22, when Morris Gershon Hindus, the young Russian lecturer, will give his talk "From the Old World to the New." Mr. Hindus came to this country nine years ago. He knows the joys and sorrows of peasant life in Russia, and the tyrannies of church and state, as only a native can. Coming from that darkness into the full light of American liberty, he naturally has a clear idea of the Stars and Stripes, and men and women of all ages, as they listen to his earnest words, will feel the fires of patriotism glow more brightly in their hearts. He is a graduate of Colgate University, and has already won many honors in the lecture field.

Community Christmas Tree

Morrisville is to have a Community Christmas Tree. It was voted at the meeting of the Woman's Club on Monday evening to take up the matter and a committee was appointed to take charge of arrangements. The tree will be placed in Academy Park, suitably illuminated and decorated, and simple exercises will be held there on Christmas Eve, at an hour which will not conflict with the Christmas exercises to be held at the different churches. No gifts will be placed on the tree. It is simply designed to get the people together in the spirit of Christmas and good fellowship. The committee also intends to arrange for carol singing about the village on Christmas Eve, in the old English fashion. Further particulars will be given next week. The Club is very enthusiastic over the plan and the members feel sure that the townspeople will give the project their earnest support.

Contributions toward the expenses will be gladly received by the committee in charge, which consists of Mrs. C. D. Howe, Chairman, Mrs. G. M. Powers, Mrs. M. P. Maurice, Mrs. Geo. L. Bates, Mrs. C. B. Kramer, Misses Nita Ellis, Marie Gulick and Jean Pinney.

Wm. G. McClintock of this town was made a Mason July 29, 1862, just before he went into the army. He is, therefore, on his 54th year as a Mason. When in the army he was taken prisoner at Danville, Va., and was sick in the hospital. A Confederate surgeon, who was a Mason, saw him and noticing the pin he wore, gave him special attention and finally had him returned to the Union lines. William says had he not been a Mason he "would have been a long time dead."

CHRISTMAS SHOPPING

Morrisville Affords Especially Good Advantages—Big Business Promised

Morrisville has several stores of which her people should be proud at any season of the year, but we doubt if there is a town in the state that can boast of so many well equipped and elegantly trimmed stores and show windows as can be seen on Main and Portland streets at this season. The holiday stocks were displayed early this year and with the fine sleighing, all roads should lead to Morrisville for one of the largest and most satisfactory Christmas season's business in many years.

Christmas buyers will find it convenient to follow the NEWS AND CITIZEN's shoppers directory as taken from the advertising pages of this paper:—

O. M. Waterman—everything for the men and boys found in one of the best equipped gents' furnishing stores in northern Vermont.

A. L. Cheney, where will be found a stock of gifts goods, which fully sustains the previous reputation of this store. The decorations this year, including the big Rexall Welcome sign outside, excel many of the holiday decorations in much larger places.

The Campbell jewelry store never was better prepared and the force of clerks here are already working over time to keep the big stock in shape for the increasing business.

C. H. Crane's new grocery—the small store with the big stock—promises everything for the table, with a large special holiday stock.

E. W. Terrill—in The Randall block—makes a big Christmas showing of flag brand fruits and vegetables.

At Briggs' drug store the holiday spirit prevails and one of the best stocks ever displayed by this store is attracting early buyers.

At the big Drowne store several extra clerks have been added to the regular force. The assortment of books, leather goods, neckwear, handkerchiefs, etc., as well as the coat and suit departments, will solve many problems for the Christmas shopper.

The Earles are making a big holiday showing this year outside their regular line, their ten cent line being worthy of special mention. The backgrounds of those handsome windows were designed and made by George, and add much to the effect of the display.

The F. C. Luce store is making a fine showing this year, under the management of Mr. Benson, and practical gift seekers will surely find something here. Outside the regular line of shoes and gents' furnishings are snow shoes, skis and moccasins.

Smith & Tillotson advertise their new line of 1916 Buicks for spring delivery. Sure enough, what better Christmas present?

M. B. Eaton & Son allow that the Christmas gifts most desired are the useful ones and consistently offer an assortment of glass plant, a large number of which are now in use in Lamoille County and vicinity.

The Union Savings Bank & Trust Company is doubtless doing more than any other single institution in town towards aiding in Christmas joy, by the distribution of the savings from last years Christmas club. Read the announcement for another year and become a member.

At the Stevens Variety Store there's something for everyone at almost any price you want to pay. It's getting busier every day.

Arthur W. Waite can furnish everything for the table, any day in the week, but at this season a few extras are added in the grocery department, such as celery and a large line of nuts, candy and fruits.

H. J. Edmunds has the largest line of holiday goods ever shown by him, including some handsome articles in moderately priced jewelry, gold and silver knives, silverware and carving sets.

The Munson store offers one of the best lines of sensible gift goods in the

county, and the grand "get together" of sensible gifts and sensible gift givers is now on.

Xmas develops Xmas spirit, which means making others happy. This is the sentiment down at the E. W. Gates store at the right end of Main street. Don't fail to see the line of stamped goods and embroidery, also the sensible gifts in the staple lines.

For something special as a gift for the automobilist, the Morrisville Foundry Company will help you. Be sure and see Dad's electric lantern, the hand Klaxonets, tool rolls and wrench sets.

The Morrisville Fruit Co. has without doubt one of the largest lines of holiday candy and fruit that will be displayed in northern Vermont this season.

If a present in the line of smoking material is wanted, the shopper will find a nice line of pipes, cigars, etc., at H. L. Stevens.

The M. B. White store is after the furniture business and its great Red Tag Sale promises to be especially popular with people who are looking for gifts in the furniture line.

Fire at Denio's Mill

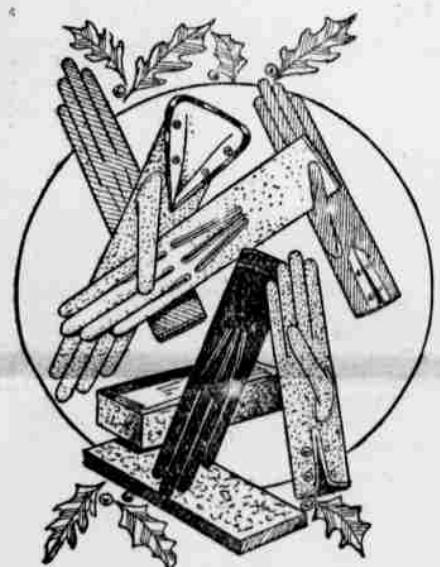

Monday afternoon about 3 o'clock fire broke out in the Denio mill on Mill street, caused by a loose pulley getting hot on a shaft. It was close to a partition and the flames went up through the partition into the upper part of the mill. An alarm was sounded and it was but a short time before the hide house men had a stream on from the hydrant near there. The fire department were also on hand in short order and soon had a stream on, notwithstanding an extra trip or two up the hill after additional hose. The flames were soon extinguished, doing but little damage. The mill, however, was flooded with water, of which there was plenty and of great force.

The total number of deer killed in this State this fall was 5,980; Lamoille's share is 571.
